

ADVERTISING, COMMEMORATIVE AND SOUVENIR CRIBBAGE BOARDS

By Thomas F. O'Gara (#72)

B. Bemis (#001)

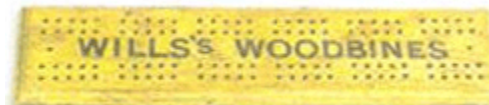

11/2001

Tom has been keeping track of Advertising, Commemorative and Souvenir cribbage boards for quite some time now. He prodigiously searches the Internet, hounds his fellow collectors and searches local flea markets in order to increase his knowledge and his listings of these boards. As a result of his persistence searches, Tom has accumulated quite a listing of these categories of boards. Every time that Tom thinks that the list is fairly complete, another round of boards in these categories erupt, causing Tom no small amount of exasperation as he hastens to add them to his lists. Before he has many more hot flashes, I am going to provide you, the members of the CBCS, with part of his research. It is long overdue for it to be published, and you are certainly in for a treat! For privacy sake, only the initials of the owners are listed. For further information on the lists, please contact Tom directly. Tom, as most of you know, takes little credit for his findings. Most of us, however, know that the CBCS has fared well with his interventions. That is why he had the distinct honor of being awarded Honorary Lifetime Membership in 2000. (Bette the Editor)
